Module 8: Scikit and Introduction to Hadoop

Pre-work

edureka!

edureka!

HDFS:

https://developer.yahoo.com/hadoop/tutorial/module2.html

Description - This link explains basic design of HDFS and how it relates to basic distributed file system concepts. You can learn how to set up and use HDFS from the command line and also how to use HDFS in your applications.

MapReduce:

https://developer.yahoo.com/hadoop/tutorial/module4.html

Description - This link covers,

- Functional programming as it applies to MapReduce,
- MapReduce program flow,
- How to write programs for Hadoop MapReduce, and
- Additional features of Hadoop designed to aid software development.
